The Leadership Development Programme

The current leadership development programme has been designed to relate to all managers, regardless of department or function

If you have line reports and are Grade 3 or above you should be eligible for a space on one of the upcoming sessions.

If you manage leaders and managers (i.e. are Grade 1 or 2) please check the table to the right to see whether the leaders in your division have attended the required part of the programme.

If you have any further questions, please speak to Stuart in Learning & Development who will explain the requirements and details of the programme

For full programme schedule please view the training calendar on the intranet
